

MIGRATORY BIRD WISH LIST

WWW.AWRC.ORG

**MOST NEEDED ITEMS

Migratory birds don't carry travel insurance! On their long flight south they sometimes get injured and wind up in our care. As a non-profit we rely on people like you to support the services we provide free of charge to our non-insured wild bird patients. You can help with your gift of items from our wish list. Deliveries accepted 9AM-5PM (CST) seven days a week.
