The Alabama Wildlife Center is a registered 501(c)3 nonprofit organization—FIN #63-0813173. Your donation is tax deductible.

Adopt-a-Bird

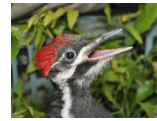

Your gift through our Adopt-a-Bird program can make a life or death difference. The Adopt-a-Bird program directly benefits injured and orphaned native birds with all proceeds going toward the medical needs, care and feeding of birds at the Alabama Wildlife Center!

Adoptions make terrific gifts for your favorite animal lover. Select a bird and enter recipient information. We will send the honoree a handsome Certificate that acknowledges your gift to them and bears a color photograph of your chosen bird. We'll also send you a confirmation letter of your gift. (Please note the processing time for the Adopt-a-Bird gift is 10 to 14 days.)

Choose your bird species . . .
