Membership

WE RESCUE, REHABILITATE & RETURN TO THE WILD

You have the power to help Alabama's wildlife.

The Alabama Wildlife Center is not a government agency and is mainly supported by individuals like you. Your annual member dues are vital to the continued success of this unique nonprofit rehabilitation and education center.

Along with food, housing and medical care for our wildlife patients, your membership also provides:

- Education Program tours and outreach events to engage people of all ages in learning about wild birds and protecting Alabama's native wildlife
- Trained wildlife specialists to respond to several thousand people calling our Wildlife Help Line each year with wildlife concerns and emergencies
- Statewide Raptor Transport Network to mobilize drivers to safely relay injured birds of prey to AWC for treatment
- And so much more!

Donations are tax deductible. Your generous support today will help save the lives of hundreds of animals.
